

**ALISON BROWN YOUNG COMICS
MAESTRO AWARD
2023**

This special e-comic showcases the very best of young British comics talent, with a selection of the prize-winning and highly commended entries to the Alison Brown Young Comics Maestro Award 2023. All the artists are under 18 years old.

The Young Comics Maestro Award celebrates Cartoon Museum staff member Alison Brown, who passed away from Covid in 2021 at the age of just 39. Alison loved comics and championed young comic artists, including selling their work in the museum shop. We hope this comic gives you an insight into the work she did, and also some names to look out for in the future!
